### **OUR VISION**

To promote advances in the prevention and treatment of atherosclerosis and cardiovascular disease in Canada through research and education

### **OUR HISTORY**

Founded and granted charity status in 1985, the CSATVB has grown steadily and is today recognized as the Canadian representative society within the International Atherosclerosis Society

### **OUR STRENGTHS**

With ~ 320 active members, the society is strongly supported by donations from the pharmaceutical industry

### **OUR MEMBERS**

Principally, basic and clinical scientists and trainees (MSc and PhD students, Post-doctoral fellows, MD residents) in relevant research in Canadian universities and universities around the world

### **OUR ANNUAL DUES**

Currently, regular members pay \$50 p.a. and trainees pay \$20 p.a. Membership of CSATVB is good value!

### **OUR MEETINGS**

The CSATVB holds a three-day, scientific meeting attracting world-class scientists as a part of the annual Canadian Cardiovascular Congress.

**Our next scientific meeting will be in  
MONTREAL, QC. October 24-26, 2010**
